Principal’s Notes

Dear Bulldog Families,

The first month of school has blown by in a blur. I would like to say a special thank you to students, staff and parents for helping make September a great month. I am especially proud of the spirit, class, and sportsmanship displayed by our students this fall. This positive spirit was highlighted during our annual “Battle of the Burn.” Overall, it was one of the most electric environments that I can remember having at Stone Bridge. My compliments go to both students and fans for their positive support.

October is a very busy month at Stone Bridge. Academics are in full swing, and athletics are rapidly approaching the post season. October is also highlighted by homecoming. I encourage all students to get involved with spirit week activities and welcome everyone to attend the homecoming parade, game and dance. Also, don't forget that PSAT/SATs are administered this month.

Thank you again for a great start to the school year.

Minute of Silence
Virginia Law requires schools to start the
day with a ‘minute of silence’. The law allows for
different uses of the minute so that “each pupil may, in
the exercise of his or her individual choice, meditate,
pray, or engage in any other silent activity which does
not interfere with, distract, or impede other pupils in the
exercise of their individual choice.” The law also
specifies that “all pupils remain seated and silent and
make no distracting display…” We will begin our
announcements with the following statement, “As we
begin another day, let us pause for a minute of silence.”
Following the minute of silence, we will conclude
with the Pledge of Allegiance. Please discuss this law
with your students and help them understand that the
expectation is for students to remain quiet.

Change of Address
If you moved recently please provide the
change of address to the Counseling Department. The
Change of Address form is located on the Stone Bridge

Parking Permits

Parking passes will be distributed to eligible juniors and seniors who submitted applications after all student forms have been completed and returned to the student’s homeroom teacher and after any deficiencies have been cleared. The fee for a parking permit for 2014-2015 is $200.00 for the school year or $100.00 for each semester. Please note that parking fees are not prorated.

Applications for a parking permit may be picked up in the main office or found online. Students are reminded that spaces are assigned and parking in any non-designated area is not permitted. Please note that parking is a privilege and students must remain in good standing to remain eligible to drive.

Parking Lot Information—Please Follow

Student Drop Off/Pick Up – Traffic in our parking lot presents many challenges and issues. For everyone’s safety, we ask that you drop students off and pick them up only in the front parking lot. Please do not drop students off in back of the school as this presents safety hazards and is not designed for that purpose!

Parking is not permitted in the bus loop during the following hours: 8:30 a.m. – 9:15 a.m. and 3:15 p.m. – 4:15 p.m. LCPS buses are scheduled to drop off and pick up students during these times and it is difficult for buses to maneuver safely to their lanes when vehicles are parked in this area. Thank you for your cooperation.

PTSO

Parents, Students and Teachers Partnering for Success - The PTSO attempts to support all groups in the school. We help out when additional funds are needed to support academic pursuits. We have a strong volunteer corps which supports the staff and students. Please join us as we provide funding, volunteers and support to as many organizations throughout the school as we can reach. More information is available on the website.

Graphing Calculators

Currently, the Stone Bridge Mathematics Department uses the TI 84 Plus calculator for instruction. The calculators are keyboard compatible and either one will work with our curriculum. Students enrolled in AP Calculus or AP Statistics will be exposed to the TI 89 calculator. It is not necessary for students to purchase this advanced calculator, but some students may prefer to have one of their own. Please be sure to have your student’s name permanently marked on any calculator brought to school.

If you have any questions concerning calculators, summer packets, or other topics related to the Mathematics Department, please contact Rita Driskill at rita.driskill@lcps.org.

Meet YOUR Parent Liaison

Welcome Bulldog families! I am very excited to have joined the Stone Bridge staff and be able to serve your family!

Stephanie Clark
Stephanie.Clark@lcps.org or call 571-252-2200

Schedule: Monday & Wednesday, or by appointment on Friday. My office is located inside the main office. Check out the Parent Resources tab on the Stone Bridge website for community events and resources.

WHAT IS A PARENT LIAISON?

A Parent Liaison is a LCPS staff member, not a volunteer, who works to bridge the communication between school and home by helping parents get the information, help, and support they need to ensure their child’s academic and social success in school. A Parent Liaison is to empower parents to become active participants in the education of their children. Confidentiality is always upheld!

Faster Lunch Lines – Café Prepay

Pre-paying for your meals and other purchases helps the lunch line move quickly. You may pay in the school cafeteria with cash or personal check made payable to “County of Loudoun”.

You may also pay via the internet. Payments on the internet must be made in 20-lunch increments. Café Prepay will add a 6% handling fee to offset administrative costs for processing. Visa, MasterCard, and Discover credit cards are accepted. Follow these instructions to get started:

2. Follow the instructions on the screen.

Music Boosters Association
The Stone Bridge High School Music Boosters Association welcomes you to a great school year! The Music Boosters Association (MBA) supports all areas of the music program (band, chorus, guitar, and orchestra) at Stone Bridge. We provide hundreds of volunteer hours and raise funds to assist in making these programs top rated. By joining the MBA, you can become part of this team that keeps music alive in our school. You can join the organization even if your child is not involved in any of the music programs. Annual family memberships cost $10, and membership forms can be found in this newsletter, on the MBA website, and in all of the program rooms. We encourage you to check the MBA website, (link can be found on the left side of the SBHS website), for important information about the music programs and exciting, upcoming events.

Attendance Policies for the 2014-2015 School Year

All absences and tardies must be called in to the attendance hotline 571-252-2202. This is a 24 hour line that takes messages only. Please call each and every time your student(s) will be out of school or tardy.

Excused Absences: Excused absences include personal illness, death in family, medical or dental appointments, court obligations, and religious holidays.
Prearranged absences must be approved by the administration (ex: college visits or family vacations – forms can be picked up from the attendance office).
Other absences and early dismissals must be approved by attendance or administration.

- Parents are expected to call if a student is going to be absent or tardy to school. The number for the hotline is 571-252-2202. Mailbox #1 is for 9th grade, box #2 is for 10th grade, box #3 is for 11th grade and box #4 is for 12th grade.
- The attendance office will call parents to verify absences, tardies, and early dismissals.
- When students accumulate five unexcused absences during the school year, a parent conference will be held.
- When students are absent from school six or more unexcused days, the students will be required to submit a doctor’s note for additional absences for the remainder of the school year.
- When students are absent from school seven or more unexcused days, the parent and student will be referred to the Truancy Officer.

If a student works, the student is expected to inform the employer that he/she will be late. No student should schedule doctor appointments for their ISR dates. Students scheduled in ISR are not allowed to participate in any extracurricular activities until the day after they are released from ISR.

Tardy Policy to School: Students are expected to be on time to school and to class. Students with excused tardies to school due to a doctor, dental, or judicial appointment must report to the attendance office to sign in before going to class with a note from the doctor, dentist, or court letter. Notes from parents are not acceptable if you’ve been to the doctor, dentist, or court.

Unexcused tardies include: Oversleeping, car problems (won’t start, flat tire, can’t find keys, waiting for rides, parents running late, etc.), babysitting (siblings, neighbors children, or relatives), missing the bus, inspections, completing college applications, working on homework, projects, etc.

Athletes or students participating in activities or other extracurricular activities who arrive after 9:15 a.m. must have a doctor, dental, or court appointment notice to participate in sports after school (practices or games).

A note from home is required stating why the student must leave school, what time the student needs to leave, and a telephone number for the parent approving the dismissal. The student’s name, grade, and student ID should also be clearly stated on the note.

Calls will be made to verify all notes. If your child has an on-going medical condition which will require frequent dismissals from school, please call your student’s guidance counselor and/or contact Mrs. King in the attendance office. Frequent dismissals without a medical explanation will be under constant review by the attendance office and counselors. Students must be signed out prior to leaving.

Library News for October
This year the library is hoping to give our physical space and resources a much needed boost. While we have a robust book and database collection, other parts of our library are showing wear and tear and becoming outdated. We’ve started a new club, the Library Teen Advisory Group (T.A.G) for students to give input and advice about what their ideal library would offer. With their help and ideas, we hope to move the library into a more student-centered, 21st century library space. We hope to refresh the physical space of library by adding a painted mural, student artwork, a charging station for student devices, a makerspace to support STEM and creative initiatives, and portable furniture to make our space adaptable to teacher and student needs. We also wish to add headphones with mics, digital cameras, and video cameras to assist students with their assignments, clubs, and other initiatives.

The Stone Bridge Times 9
Clinic Information

- **The clinic’s direct line is (571) 252-2215**

- If your student has any significant medical needs, please notify the nurse even if the school has been notified in previous school years. If your child has diabetes, seizures, life-threatening allergies, asthma or uses an inhaler, you should pick up forms for you and your physician to complete so the school can understand and address your student’s needs. If the student was in Loudoun County Public Schools last year, these forms were sent to you at the end of school in June.

- **A parent or guardian must deliver any medication (prescription or non-prescription) to the school office or clinic. Students should not transport any medication to or from school.** Parents are responsible for picking up unused medication. If a student mistakenly brings medication, he should turn it in to the clinic immediately.

- **The nurse must have written instructions from the physician in order to administer prescription medication.**

These instructions should include:

- Student’s name.
- Name and purpose of the medication.
- Dosage and time of administration.
- Possible side effects and measures to take if they should occur.
- End date for administering the medication.
- Parent signature-giving permission to administer medicine and to contact student’s Physician.
- Physician’s signature.

- A copy of the special “Medication Form” that should be used is available on page 11. It is suggested that you keep it for use should the need arise for your student to receive prescription medicine. Additional forms may be obtained from the main office or clinic.

- All prescription medicine must be in the original pharmacy bottle with the proper label containing the name of the student, dosage, and instructions for administration. If you ask, the pharmacy will give you an extra bottle with the proper amount of medication for school.

- If the nurse needs to give non-prescription medication:
  It must be in an original package with the name of the medicine and instructions.

- The nurse must have a note from the parent regarding when and how much medicine to administer.

- The nurse will only give the amount listed on the package for your student’s age and weight and for the recommended length of time the student should receive the medicine unless she has doctor’s orders on a medication form that indicates otherwise.

- The nurse cannot administer medicine that is not in its original container.

- Students who have fevers should be kept at home until free of fever for 24 hours.

- All 10th graders and students new to Loudoun County Public Schools will be screened for vision and hearing during the first two months of school. Parents will be notified of any concerns.

- **Be sure to keep the “Emergency Information” up-to-date so that we can reach you if your student is ill or injured.**

  Acetaminophen (Tylenol) is the only medication supplied by the school. The nurse must have written parental permission in order to administer this medication. Please be sure that the Tylenol permission information on the emergency card is completed and that your signature is on the form. Because Acetaminophen, in large amounts, over a period of time, can cause liver damage, the nurse will give only 4 doses in a 4 week period. Before a fifth dose is given, the parent will be contacted.

Parent Workshop
Please join us for our one-night school presentation:

Little-Known Secrets of Paying for College

For many families, the high cost of higher education is a daunting proposition. Since 2002, our workshop has educated parents throughout Virginia and Maryland regarding the complicated and often frightening proposition of paying for college. We demonstrate strategies that have helped save families over $40,000 per year in tuition and fees. While the high school college and career counselors serve a valuable role in helping students and families prepare for and select schools, our unique program teaches families how to pay for schools that they may have thought were out of reach based upon the “sticker price.”

Attend Our Workshop to Learn:
- Strategies to attend private universities for the same out of pocket cost as in-state schools
- An overview of financial aid and how to qualify for the maximum package
- Unique strategies to pay for multiple children attending college simultaneously
- An insider’s view of the college admissions process
- How to recapture out of pocket college costs
- Avoid jeopardizing your retirement nest egg
- And much, much more!

Please join us for this special presentation for the parents of Stone Bridge High School students. This December 8th two-hour workshop is a tremendous complement to the campus visits and the other school programs that will ultimately make college an attainable and fiscally efficient goal for your family. For more information, please contact Tim Lucas, tim.lucas@lcps.org.
