The Bolt Blast camp is an opportunity for rising 6th grade students to get a feel of

what their day might be like in middle school. Students will follow an A day/B day schedule to get used to how middle school classes run.

There will be lots of fun activities for them to do from drama and STEM to an amazing race to learn the building. The daily bell schedule for Bolt Blast 2019 is linked below. Student ambassadors and teachers will be able to assist students with finding their first class and answer any questions they may have.

The school will be collecting TDAP forms during Bolt Blast, if you have the TDAP form, please have your child bring it with them.

Parents are invited to join their child on Friday, August 2nd. This day will be a rotation for locker set up, team building with your child, a tech talk about being a 1-1 school, and a Q&A with Principal Nick Cottone and Dean David Friend. An ice cream social to follow.
