The Heritage High School PTSO Scholarship

Heritage High School PTSO will award scholarships to a current Heritage High School senior who has been accepted into a two or four-year college or university and whose family is a current member of the HHS PTSO. The PTSO wishes to award this scholarship to a student who participates regularly in school related or community volunteer service activities.

Applicants must complete the attached application and enclose a resume. Additionally, two letters of reference must accompany this scholarship application. One of these reference letters must be written by a teacher. The second letter must be written by another adult who has been directly involved in the student's volunteer services. The reference letters need to contain specific information regarding the applicant's character and volunteer service activities. Each reference letter must include the length of time and capacity in which the applicant has been known to the reference source.

Return completed application packets to the Career Center by **April 4, 2018**.
