

# Heritage High School Athletic Booster Club

## Scholarship Application

***Mission Statement: The HHSABC is proud to award scholarships to deserving senior athletes. The scholarships are awarded to the senior athletes who best exemplify effort, dedication, commitment, and spirit, regardless of their position on a team; they do not need to be the star of the team, or even a starter. It recognizes the athlete, who the team could count on to give his or her best effort at practice, pitch in to help with team needs, and encourage teammates to excel.***

The Scholarship Committee will consider all applications, *with an emphasis on your role as a student-athlete*. The following requirements must also be met to be considered for a scholarship:

1. The athlete's parent/guardian must be a member of the Athletic Booster Club by March 5, 2018. For the Class of 2020 and onward, the athlete's parent/guardian must have been an Athletic Booster Club member *for 2 years*.
2. The student must have a GPA of at least 2.5.
3. The student plans to attend a college, university, or trade school following graduation.
4. Two recommendation letters -- from any of the student's Heritage coaches during their Heritage athletic career (no club/travel coaches), and from an HHS teacher who was not their coach.
5. Two written essays must be completed, answering both of the following prompts (500 words each):
  - a. How will your experiences and achievements as a student-athlete during your years at Heritage High School be applied towards your future endeavors?
  - b. Of those experiences and achievements, of what are you most proud, and why?

**Students must submit their completed application, including the two letters of recommendation, to the Career Center by May 1, 2018. Incomplete or late applications will not be considered. Scholarship winners will be announced at the End of Year Awards assembly on June 7, 2018.**

Please contact Ann Smith, ABC President, at [ashburnsmiths@erols.com](mailto:ashburnsmiths@erols.com) with any questions you may have.
