

Requirements to Return for Subsequent Years in the NJROTC Program

For those cadets who would normally attend another high school per residential zoning, but attend Loudoun County High School (LCHS) as a program placement or special permission student due to acceptance into the NJROTC program, the NJROTC program is a four-year high school commitment.

All requirements to return for the following school year (2025-2026) must be achieved no later than 3 April 2025 (end of 3rd Quarter). For NS1s, service hours awarded during the Basic Leadership Training (BLT) course will count toward the totals required to return for NS2. Successful team participation for NS1s, NS2s, and NS3s is defined as regularly attending team meetings/practices/workouts throughout the year and meeting the requirements to earn a team ribbon.

Annual Requirements for All NJROTC Cadets at All Levels

- Earn a “C” or better in the current Naval Science course
- Maintain a 2.0 GPA or better (unweighted) in other courses for the current school year
- Complete 20 hours of Community Service through the NJROTC Program
 - NS4 cadets may opt to complete an additional 10 community service hours (for a total of 30) in lieu of team participation
