

Loudoun County Public Schools Media Release

FOR IMMEDIATE RELEASE

November 22, 2022

ASHBURN, VA (November 22, 2022) - Loudoun County Public Schools (LCPS) will host a series of public hearings to present information on the division's FY 2024-2029 project plans for the [Capital Improvement Program \(CIP\)](#) and the [Capital Asset Preservation Program \(CAPP\)](#) to receive feedback from stakeholders. All members of the community are welcome; interested families and staff are especially encouraged to attend. Please note that each session will be designed to present and discuss the same content, so interested parties should plan accordingly in selecting only the most convenient option to attend.

The CIP is traditionally a six-year financial plan for the acquisition, development, construction, addition, and/or renovation of public facilities, infrastructure, and capital equipment.

The CAPP fund was established by the Loudoun County Board of Supervisors in 1990 as a consistent means of planning for and financing major LCPS and County government maintenance efforts. The CAPP affords the County the ability to extend the useful life of mature and aging facilities through repair and renovation.

LCPS leadership presented their proposed capital programs to the School Board at the November 15 School Board meeting. Highlights of the proposal include:

- Total cost for the entire FY2024 Capital Budget is \$165 million
- Total cost for the FY2024-2029 six-year plan is \$1.3 billion
- Items include a new elementary school and a new high school
- Replacement of Park View HS and renovations to Banneker ES

To attend either of the two public hearings:

- November 28, 2022, at 6:30 p.m. at the LCPS Administration Building – School Board Room, at 21000 Education Court, Ashburn, VA 20148 or [attend virtually](#).
- December 5, 2022, at 6:30 PM at the LCPS Administration Building – School Board Room, at 21000 Education Court, Ashburn, VA 20148 or [attend virtually](#).
